

WIN A WEEK IN COLORADO!

Jim Carney has graciously offered up his spectacular townhome in Edwards, Colorado as a way to raise money for the IANA PAC. This amazing four bedroom, four bathroom townhome looks off to the mountains! Edwards is a great little village with restaurants and shopping and is located about 20 minutes from Eagle Vail Airport and about 2 hours from the Denver Airport. The beautiful Beaver Creek Resort is only about 8 minutes away. The view is spectacular!

The winner of the silent auction can choose to use the townhouse during the summer or winter months. It has a deck and the bedrooms all have king sized beds! The townhouse can easily accommodate 4 couples or up to 8 people. A great vacation for the entire family! This townhouse would rent for \$5,000/week in the summer months and for \$10,000/week in the winter.

"This townhome is spectacular! We stayed over spring break. It was in immaculate condition and had everything we needed and more, including a gourmet kitchen. You can see the beautiful slopes of Beaver Creek from the two decks and our family would stay again in a heartbeat."

"The opportunity to enjoy the Casa Del Carney is an amazing experience! This five star location is in the middle of the mountains and next to exciting attractions suitable for the entire family! My family will definitely do this again!"
